

Our Audubon Chapter Is Offering Stipends To Attend The Audubon National Convention In Milwaukee

July 26 – 29, 2019

Audubon's biennial convention is designed to bring together Audubon's vast network of dedicated chapter, state, center, national, and international leaders from across all four flyways. This event will feature an array of inspiring speakers, in-depth workshops and discussions, exciting field trips, and the camaraderie and networking opportunities that only the Audubon Convention can provide.

This summer's Audubon National Convention will never be closer to Fond du Lac. This is an opportunity not to be missed. Our local chapter Audubon board has decided to offer three or four stipends to encourage attendance at this summer convention. The requirements for being considered as a recipient of a stipend are as follows: currently a member of Audubon; currently involved in attending some meetings, or leading summer walks or other programs; will commit to attending at least two days of the convention; and possibly needs financial help to attend. There will be some priority given to people in leadership roles such as board members. Finally, the Audubon board would expect a report after the convention or a short presentation at the Wild Feast Potluck.

If interested in applying for one of the stipends, contact Mike Sweney at msweney0115@gmail.com. **The deadline to apply is May 8.**
