

Wildlife Prints to Benefit Stetter Environmental Education Fund

Thanks to Pat and Anne Guy, formally of Pat Guy Paint and Glass, for the donation of wildlife prints to Fond du Lac County Audubon with proceeds intended for the Dave Stetter Environmental Education Fund. Prints include Tom Schultz circa 1979 prints of blue jays, a Ron Van Gilder print of Canada geese, a Harry Tollas print of a black Labrador puppy, and a Robert Timm rabbit print.

Tom Schultz is a native of Fond du Lac who now lives near Green Lake. His illustrations have appeared in several editions of National Geographic's Field Guide to Birds of North America and in the Smithsonian Institution's Warblers field guide.

Two 16 x 20 matted and framed, signed and numbered, Rena Fennessy African bird prints have been donated by Carol and Lew Smith.

The Fond du Lac Audubon Board will accept free will (tax deductible) donations directed to the Dave Stetter Environmental Education Fund for these prints. Please respond to fondyudubon@gmail.com with your print selection and donation or to set up an appointment to see the prints. (Prints are in color, with the exception of Winter Rabbit.)
